Dear Charles and Susan,

Thank you for your letter of the 9th of July.

I would like to emphasise that the NCA are aware of our obligations as defined under the UN Convention Against Corruption. The International Corruption Unit is dedicated to the prosecution of offenders, the recovery of the proceeds of crime and the return of stolen funds to the developing nations.

While I am unable to make comment on active investigations, the question of compensation is one to consider in the light of a charging decision and subsequent criminal proceedings which could result; I can assure you that we fully consider with our partners the sorts of arguments rehearsed in your letter once cases reach the appropriate stage.

Yours sincerely,
